Meeting Minutes

Justin called meeting to order at 4:00pm

Joey Cochran discussed issues involving grounds. He mentioned the tree replacement fund and a current project to switch from municipal water to a renewable source for irrigation.

Kathy asked if there were any plans for a sitting garden. The reply was that no current projects were being considered.

David asked about rain sensors for the sprinklers. Joey replied that the project was already completed. David also requested a copy of the proposal for the project involving the renewable water source.

Justin offered general updates on the CGI dinner.

Megan reported that the grant process was on schedule, but did not think it was feasible to pursue the Brita grant.

David mentioned a meeting involving the new field house at 1:30-2:30 11/21/2008.

Project ideas were summarized. Ideas included: biodiesel for buses, cisterns, rain gardens, energy efficiency upgrades including building monitoring, geothermal systems, graywater systems, composting, solar energy, and permeable pavements.

The next meeting was set for Dec. 4, 2008
